LIFTING PRODUCTS

Revolutionize Your Inspection Process!

InfoChip is the ONLY inspection package you will need for your lifting and rigging product inspections.

CG Lifting Products' "InfoChip Inspection System" is the leading inspection system that allows you to dramatically improve the way you schedule and conduct inspections. Developed specifically for inspectors of lifting and rigging products, InfoChip automates inspections using the power of RFID. Our easy to use hand-held computers allow you to access and manage your inspection reports and certificates via the internet.

- **Easy Identification using RFID**
- **Mobile Inspections**
- **Online Certificates**
- **Online Inspection Management**
- **ASME Standard Based**
- **Inspection Scheduling**
- **End User Web Access**

ONE-CLICK INSPECTIONS

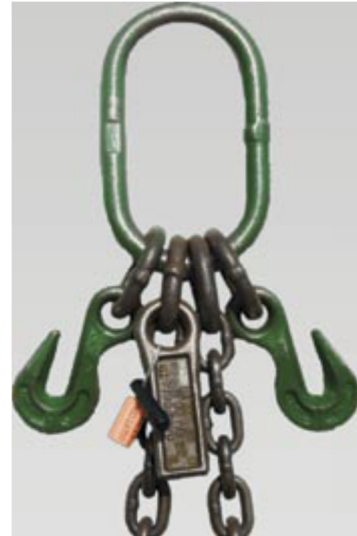

Whether you are in the plant or in your office, you don't want to spend time doing paper work or filling out complicated computer forms. The heart of InfoChip is our One-Click Inspection technology. One-Click Inspections embody ease of use, error free inspections and extreme efficiency.

NO MORE MESSY PAPER WORK!

Keeping track and storing records properly is not only a hassle, it's also a huge liability. We hold all the data and inspection reports which you can access and print through the web at any time. Let CG Lifting Products take away the worry and effort of maintaining accurate inspection records.

EASY IDENTIFICATION USING RFID

By adding an RFID tag to traditional identification tags, InfoChip takes the mystery out of product identification. The software can be used to track all safety equipment including:

- Slings (All Types)
- Fall Protection (Harness & Lanyards)
- Below The Hook Lifting Devices
- Hoists (Manual, Electric, and Air)
- Hoist Rings

ONLINE CERTIFICATES

InfoChip allows you to quickly and easily view your certificates online.

The InfoChip software is fully integrated with our enterprise software so there is never a need to manually print certificates. This increased efficiency is another value added service provided by Commercial Group Lifting Products.

For a full demonstration, contact a Commercial Group Lifting Products sales representative.

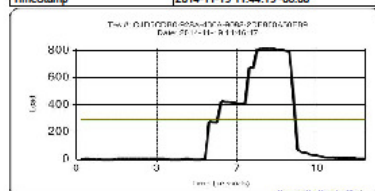

Certificate of Compliance

Date: 2014-11-19 Test #: Entered by: jbrooks
 Asset Desc: 17/64" X 7-1/8" J HOOK Tested by: jbrooks
 Asset #: 7
 Serial #: 7
 Chip ID: NOCHIPID
 Owner: TEST CUSTOMER Initial Location: Site/CINCINNATI SHOP
 City: TAYLOR

Asset Characteristics	
Manufacturer	
Type	J HOOK
WLL	DESTRUCTION TEST
Cost
